### Lunghamer Chevrolet/GMC 1 Litre Modified (01140)

George Kennedy, Jr. won the first battle of the weekend at 76.023 MPH in the Y-1. The next two races went to Dan Kanfoush in the Y-63 at 76.291 MPH and then 69.797 MPH in the rough water. These two boats provided dynamite excitement over the weekend. Scott Heckman in the Y-222 continues his climb up in 1 Litre and soon will be a front runner.

### Sam's Club of Waterford 1.5 Litre Stock (01160)

The first race of the weekend saw Jimmy Shane set a new record in the T-1 at 68.995 MPH breaking the old mark of 67.027 MPH on a one mile course. Shane blistered Pontiac Lake with two more wins but the Sunday race he was challenged by George Kennedy, Jr. in the T-80 only winning by two boat lengths. Kelly Shane in the T-17 is gaining confidence in her new ride as the 2005 Eastern Divisional Champ is stepping up the ladder in 2005.

### Daimler Chrysler 2.5 Litre Stock (01130)

The last race of the day on Sunday was a thriller in the rough water. Mark Johnson, Dan Kanfoush, and Mike Monohan in the CS-60 Orange Rush in his only race of the weekend saw the drivers listed in order as how they were

in lanes on the course. Johnson, nailed the start but during lap three began to slow on the inside in the rough conditions. Johnson's boat the rest of the race would turn well but lose the momentum in the chutes. The final two laps saw several lead changes in deck to deck to deck action!!! (which forced me to the oxygen bottle after the race) The checkered flag would see a boat length separate the top three with Mark Johnson hanging on to win at 65.590 MPH. Dan Kanfoush was second at 65.509 MPH, and Mike Monohan third at 65.412 MPH. Johnson won once on Saturday with Kanfoush getting the other win Saturday.

### Suburban Ford of Waterford 2.5 Litre Modified (01040)

What a thrill for the hard working Tony Black as the A-41 scored the win Saturday at 74.114 MPH. Black's colorful craft ran well at Waterford and is improving. Keeping him honest in second was local favorite Racer Bob Dabrowski in the A-75. Racer Bob was making moves behind Black to get to the front but settled for second with Mark Dowty in third in the A-71. Sunday saw the Buckeye guys from Ohio bounce back in the A-3 Sho-Nuff III. John Shewbrook's craft with Chris Cordle driving won Sunday at 75.777 MPH. The A-3 had bad luck on Saturday but credit the A-3 team for not giving up and coming back Sunday with a win. Tony Black was second and Racer Bob Dabrowski third.

### R. Royce Richards 5 Litre (01110)

Mark Burghardt and Joe Flynn battle in the finals both days with Burghardt winning Saturday at 79.170 MPH and Flynn coming back Sunday to win at 78.322 MPH. Dr. Joe Flynn and Burghardt with X-Ray gave the fans a thrill in the battle of medicine on the water. Burghardt's win Saturday over Flynn saw the boats separated by no less than three boats lengths the entire race with Burghardt winning by a boat length at the end. Sunday was a deck to deck battle for 2-1/2 laps but then Flynn pulled out to win by a comfortable margin. Tom English has a gorgeous looking new 5 Litre and Tom Thompson gave it a good ride and its a boat with lots of potential.

### IBEW Local 58 National Modified (01030)

Excellent dueling in National Modified's but the more consistent NM-75 Fat Chance III scored enough points for the weekend top spot. Tom Thompson won the the Saturday qualifier and came back in the final to win with help of gun

jumps by Darryl Monette and Mike Movinski. Saturday's heat race was hot action between Darryl Monette and Mike Movinski. In the final strides Movinski won by a boat length over Monette at 90.063 MPH. Movinski's craft is the former Wilder Viking and Monette's is the former Summer Dreams. Mike Movinski was a easy winner in the heat race Sunday at 81.636 MPH but the next heat race saw a duel between Darryl Monette and Marty Wolfe in the NM-6 Summer Wine. Several lead changes in this one but lapped traffic at the end helped Monette get by Wolfe at 87.731 MPH. Monette, came back to win the final at 84.606 MPH. Wolfe was second, and Movinski third.
