2009 Quake on the Lake Great Success with Record-setting Attendance and Two New World Speed Records

WATERFORD, MI – July 23, 2009 – Nearly 30,000 people attended the 2009 Quake on the Lake last weekend at Pontiac Lake Recreation Area including a record-setting 18,000 people on Sunday.

Race fans also witnessed the addition of two world speed records being set in the 2.5 Litre modified class by Tom Thompson of Cambridge, Maryland and boat owner and Quake on the Lake supporter R. Royce Richards of Troy and George English as well as in the National Modified class by Jeff Bernard, the driver of the Formula Boats Unlimited Gold Cup hydroplane in a boat that traveled from Seattle, Washington. Jeff was driving in the race in honor of his step-father, Terry Troxell, who recently passed away. In its 10-year history, world speed records on the one-mile course now total 17 in 5 different race classes.

Listed below are the race results:
