Dear APBA Racing Fans:

On July 17th, 18th and 19th we will be celebrating the 10th Annual Quake on the Lake which highlights the North American Inboard Hydroplane races. The event takes place at the beautiful Pontiac Lake Recreation Area in Waterford and White Lake Townships. The APBA Inboard Hydroplane Eastern Division Championships will be also be featured, thus bringing more excitement for all.

I invite everyone to a weekend of fun and the chance to see record breaking results as the top boat racers across North America compete for national attention. Along with the main attraction will be other great activities for the entire family to enjoy - wakeboarding competition and exhibition, children's game area, live musical entertainment and fireworks.

The Quake on the Lake goes way beyond a weekend of fun and excitement for all ages. It focuses on children who are dealing with life-threatening illnesses and proceeds from this race go to The Rainbow Connection which helps fulfill these children's wishes and dreams. It's a race that is "one of a kind". Waterford Township is pleased to be a big part of Quake on the Lake.

On behalf of the residents and Township Board of Trustees, I would like to give a special thank you to all who give their time to make this event the success it is and welcome all visitors to Waterford and Quake on the Lake.

Enjoy!
