GENERAL GOVERNMENT

44TH DISTRICT  
CLARKSTON, INDEPENDENCE, HIGHLAND,  
SPRINGFIELD AND WHITE LAKE

April 5, 2011

Dear Friends--

Spring is here and summer is just around the corner, which means it's nearly time once again for Oakland County's Greatest Summertime Happening!

Quake on the Lake has become a top summer attraction, bringing thousands of residents to our area for more than a decade. This annual event is great for our local economy and as this year's event approaches, I encourage everyone in the area to mark their calendars and plan to attend!

The 12th annual Quake on the Lake takes place July 16 and 17 at the Pontiac Lake State Recreation Area between White Lake and Waterford Townships. As part of this year's event, the Inboard Hydroplane National Championships will be taking place for the first time in Michigan. More than 150 race teams from across the country are competing in this event, which will be thrilling for people of all ages.

This year's Quake on the Lake is a great opportunity for family fun and also a great way to support the Rainbow Connection-- a nonprofit that helps local terminally ill children fulfill their dreams, started by our own Oakland County Executive L. Brooks Patterson.

Support and attendance from community members like you keeps Quake on the Lake successful and thriving here in our local community and makes the dreams of local children come true.

Please help us once again as we work to keep this great event close to home.

Thank you.

Sincerely,

EILEEN KOWALL  
State Representative  
44th District
